

The Association of Brother James Court

September 2009-2010

“The purpose of the Association of Brother James Court is to support the Franciscan Brothers of the Holy Cross in the provision and maintenance of services and facilities that benefit the residents of Brother James Court through volunteer services and financial assistance.”

The role of the Association is not only to support the residents of BJC, but also to be their voice. The families and friends of the men at Brother James Court can provide very valuable financial support for the residents by being part of our Association. Our membership dues provide a portion of this support. Please do not hesitate to contact me with your questions, suggestions, and concerns. If you would like to become more involved in our Association, please contact me by phone 217-725-6248 or by email at jillhanney@ameritech.net

Thank you so much and God bless you!

Jill Hanney,
President

John L. & Charlotte Rodems
Membership Chairpersons
